

5355 Ave. Encinas,
Suite 206 Carlsbad, CA 92008

January 2026

EU REACH Regulation-Substance of Very High Concern (SVHC) This statement is made in response to the European Union's regulation for Registration, Evaluation, Authorization, and Restriction of Chemicals (REACH) (EC 1907/2006) that came into form June 27th, 2018.

REACH requires suppliers of articles* to communicate the presence of any SVHCs listed by the European Chemicals Agency (ECHA) in the Candidate List, Annex XIV and XVII, under the provisions of the REACH Regulation, if the following conditions are met as per Articles 7, 33, and 67:

- The substances are included in the Candidate List** and are present in the articles produced and/or imported at a concentration of >0.1% (w/w).
- The total amount of the substance present in all the articles produced and/or imported, which contain more than 0.1% (w/w) of the substance, exceeds 1 ton per year for the producer/importer.

Our product(s), as well as any articles* contained within the product(s), **DO NOT CONTAIN any of the 253 REACH SVHCs** as updated by ECHA, February 4, 2026.

Visual Communications Company, LLC (VCC) is aware of and supports the requirements listed under this regulation. As it is in our best interest to comply with the legal and environmental requirements it implies, VCC maintains continuous review and monitoring of materials for the VCC, Leecraft, Littlite, DDP, CML, DBDPE, and LEDCO product lines.

Respectfully,

A handwritten signature in black ink, appearing to read "Andy Zaneli", written over a faint, larger version of the signature.

Andy Zaneli

CEO

*Article (EC No 1907/2006 Chapter2*Article33)- an object which during production is given special shape, surface or design which determines its function to a greater degree than its chemical composition. **The updated SVHC Candidate list substances can be found at: <https://echa.europa.eu/candidate-list-table>
